So that you can enjoy your visit to the city of Sucre, your police recommends:

Take care of your belongings

Places with large agglomerations such as markets are the favorite scene of thieves.

In crowded places always carry your backpack forward.

Do not walk with your phone or camera in your hand carelessly.

Avoid putting your wallet in your back pocket.

Safe Transportation

Authorized Taxis:

- Prioritize radio taxis that have a logo with their company name and telephone number.

- Verify that the vehicle has the taxi strip visible on the door.

Bus Terminal and Airport:

- Do not leave your hand luggage unattended in the waiting rooms.

- Only use buses that have assigned disembarkation areas in the Terminal.

Safe Routes and Currency

Always walk accompanied, whether in a group or as a couple, when moving to viewpoints or high areas.

Avoid areas with little traffic, deserted streets and dark alleys to prevent robberies or theft.

Exchange currency only in banks and authorized exchange houses.
